R735

Whether you bang your brand-new watch against the ground doing push-ups or accidently bump it against a sharp-edged coffee table corner while chilling on the couch, this bumper from SAFE. by PanzerGlass® has your back. This transparent bumper without glass from SAFE. by PanzerGlass® protects your watch from scratches and drops, while providing easy access to all functions. You don’t even need to take it off when charging your watch! It’s max style and max protection! Made of soft, lightweight TPU material that attaches seamlessly with accurate cutouts for a perfect fit.

SAFE. is pure love for devices and the planet! When you keep your watch SAFE., you can one day pass it on to another watch lover! It’s the new circle of phone life and one way of working toward a
