Jabra Evolve 65 TE - Link390a MS Mono (Include Stand)

Model: 6693-833-399

Manufacturer: GN AUDIO

EAN: 5706991031485

Product Code: 1044877

R4,503

Long wireless range for up to 16 hours

30-metre (100 feet) wireless range

Have the freedom to leave your desk while on a call. Wireless Bluetooth technology 5.2 gives you up to 30 metres/100 feet of hands-free connectivity to PC, smartphone and tablet.

16-hour battery life

Get up to 16 hours of talk-time on a single charge. Or simply connect the USB cable and charge while using the headset.

Control of your workspace

Passive Noise Cancellation

Simply wear the headset to eliminate high-frequency noise, such as human voices – all thanks to the specially designed ear cushions. We call this “passive noise cancellation”.

Busy Light

The special “busy light” turns red to let people know when you’re on the phone and keeps you from being interrupted. You can also turn it on manually when you don’t want to be disturbed.

Connectivity

Connect wirelessly via Bluetooth (also comes with USB dongle for PCs) or directly using the USB cable. Dual connectivity enables you to connect to your PC and one other Bluetooth device at the same time, so you can take the call on your preferred phone device

At one with the universe (of phones and platforms)

Our headsets and speakerphones work out of the box with over 10,000 traditional deskphones. They are future-proof and compatible with all softphone and web clients, from Microsoft Teams to Mitel.

Providing your staff with optimised and trusted devices that work seamlessly with your UC platform is key to productivity, audio quality and having fewer IT issues. Jabra has tested devices with a long list of platforms and offers Microsoft Teams certified variants from our wide range of headsets and speakerphones.
