Model: SDM31201BC-1L

Manufacturer: Iiyama Consignment

EAN: 4948570033348

Product Code: 1045245

# R12,862

This mini SDM-L PC with an Intel Core i3 processor turns your iiyama large format display from the ProLite LH75 SERIES (50" and larger) into a stand-alone solution. It comes equipped with a powerful Intel processor, integrated Ultra HD graphics, and a fast SSD. It features four USB 3.2 Gen 1 ports and two Type-C ports (USB 3.2 + DP ALT).

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
