3-in-1 gaming bundle with spill resistant RGB keyboard, illuminated mouse, and mousepad

Go three for three

Want to take your gaming to the next level? Then this bundle is the perfect fit for you! Both the Evocx Gaming Keyboard and Felox Gaming Mouse have RGB illumination with multiple modes to easily find a style that best suits you. The keyboard comes with soft-touch keys and 25 key anti-ghosting to make sure no press goes amiss, and it’s even made with 78% recycled plastics – how cool is that! The mouse offers adjustable speed between 200-6400 DPI, as well as programmable software so you can adapt the speed, lighting, and macros to create your ultimate gaming mouse. Finally, a medium-sized mousepad with optimised surface gives you the perfect foundation to win, win, win!
