

Fujitsu MHV2080AT internal hard drive 80 GB 4200 RPM 8 MB 2.5" Ultra- ATA/133

Model: MHV2080AT

Manufacturer: FUJITSU

Product Code: 10484

R450 R794

The new Fujitsu mobile hard disk drive is instrumental in allowing manufacturers to design next generation portable computing and consumer applications. The Fujitsu hard disk drive will provide industry-leading specifications, critical for today's mobile computing applications:

- Read / Write Power Consumption of 1.6W typ.
- Idle Power Consumption of 0.5W typ.
- Idle Acoustic Noise as low as 2.3Bels
- Non-Operating Shock of 8,820m/s² (900G) (1ms)
- Operating Shock of 2,940 m/s² 300G (2ms)
- L/UL (Load/Unload) of 600,000 cycles

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
