Allied Telesis AT-x250-18XTm-50 Managed L3 1U Grey

Allied Telesis AT-x250-18XTm-50 Managed L3 1U Grey

Model: AT-X250-18XTM-50

Manufacturer: ALLIED TELESIS

EAN: 767035229812

Product Code: 1049266

R66,372

10 Gigabit Stackable Edge Switches

Allied Telesis x250 Series 10 Gigabit Layer 3 stackable switches provide resilient high-speed edge connectivity. All ports support up to 10G speed enabling seamless communication for enterprise servers and other modern applications, with multi-gigabit or fiber connectivity.

Enable a resilient network edge solution using Virtual Chassis Stacking (VCStack™)

Enjoy high-performing network access with multi-gigabit speeds of 1/2.5/5/10G on all edge ports to connect any device, old or new

Support distributed environments with secure long-distance 1/10G (SFP/SFP+) connectivity on fiber
