Elevate your digital experience with our detachable Chromebook. Enjoy crisp visuals on the 10.95” 16:10 IPS display with WUXGA (1920 x 1200) resolution, capture stunning moments with the 2MP front-facing and 5MP auto-focus rear cameras, and stay connected with friends and family.

Seamless Multitasking

Seamlessly switch between tasks with Acer Chromebook Tab 311. The powerful MediaTek Kompanio 520 processor and up to 8GB LPDDR4X memory handle demanding workloads effortlessly. With up to 128GB of storage and a MicroSD card slot, you'll have plenty of space for all your files.

Slim, Tough, Eco.

Sleek, durable, and eco-conscious. Acer Chromebook Tab 311 is EPEAT registered to reduce waste across the lifetime of the device. Its slim 9mm design and 610g weight make it perfect for on-the-go productivity. Plus, the Military Standard (MIL-STD 810H) tested, impact-resistant body stands up to all sorts of daily wear and tear.

All-day Battery

Take your work or studies anywhere with our 10-hour battery. Stay connected and productive, all day long.

Dockable Stylus

Sketch, draw, and take notes with the dockable USI stylus. The 4096 pressure sensitivity levels ensure precise and accurate input.

Adjustable Stand

Our keyboard folio features an adjustable stand for optimal viewing comfort. The protective back panel allows you to effortlessly find the perfect angle, enhancing your productivity and enjoyment.

Anchored Keyboard

Connect the keyboard easily and quickly via pogo pins and magnets for content creation and study. The mechanically anchored key design makes sure the keyboard stays in good condition.

Connected Anywhere

Enjoy a seamless digital experience with Acer Chromebook Tab 311. The Wi-Fi 6 and Bluetooth 5.3 technologies ensure smooth streaming, fast downloads, and reliable device connections. The optional 4G LTE provides you with extra personal bandwidth to ensure you always have access to your data in the cloud.

Google Makes It Easy

Chromebooks are designed by Google to help make everything easier – from instant setup to your go-to Google apps seamlessly integrated to help you get things done.

Runs ChromeOS

The fast, secure operating system from Google with built-in Google apps like Gmail, Gemini, Docs, Photos, YouTube, and more, so you can go from deadlines to downtime straight out of the box.

Unlock Productivity

Built-in shortcuts to Google apps let you check your calendar, hop into a video call, or check off to-do’s without opening another tab – or missing a beat.
