with the DISPLEX SMARTWATCH GLASS FULL COVER UNBREAKABLE PROTECTOR. Crafted from high-quality, unbreakable acrylic glass, this advanced protector offers reliable screen protection while maintaining full touch sensitivity and brilliant screen clarity.
Thanks to its 3D-contoured edge-to-edge design and full-surface adhesive, the protector provides seamless coverage – ideal for sporty, stylish and everyday users. The high-tech anti-fingerprint coating ensures a clean and smudge-free screen for a consistently sharp look.
The included eco applicator, made from recycled PET (rPET), makes installation easy, accurate and bubble-free – with no tools, no glue, and no residue.

Product Highlights:
- Shock-absorbing, unbreakable acrylic glass
- 3D edge-to-edge design for seamless full coverage
- Ultra-thin for full swipe, tap and button control
- Anti-fingerprint coating for crystal-clear visibility
- Eco-friendly mounting tool (rPET) for easy, clean application
- Precisely fits Apple Watch 9/8/7 (45mm) – secure and accurate

Trust in German engineering for long-lasting protection, flawless design and effortless handling – by DISPLEX.
