With an anti-ghosting feature that allows for up to 10 simultaneous key presses, this keyboard ensures every move is registered accurately. Dedicated media keys offer quick access to volume and playback, whilst the gaming mode makes sure nothing interrupts your victory.

Metal magic

Durability meets style with a sturdy metal backplate and anti-skid rubber feet, keeping your Thado stable during even the most intense of gaming sessions. What's more, a 1.8m braided cable ensures a strong, tangle-free connection, because the best gaming keyboards are made to perform.
