EAN: 4046047104413

Product Code: 1051829

R11,207

The Shuttle NE1010XA is a fully configured PC system in Nano form factor based on Shuttle's fanless Barebone NE10N with RAM and SSD memory, but without operation system. It comes with a powerful and efficient 12th generation Intel N100 processor, codenamed "Alder Lake-N". Despite the nano format with only 600 ml volume, it offers enormous connection variety and expansion options. Thus, up to two UHD displays (4K/60Hz) and up to six USB devices can be connected. This PC system is
