Small, flat and extremely robust

The compact keyboard "XS Complete" (G84-5200) offers a full keyboard layout complete with number block and is ideal for all applications with limited space and requiring frequent number entries.

- Complete layout with numeric keypad. Ideal for applications requiring the frequent input of figures.
- High degree of reliability and precise keystroke feel thanks to individual keys with Gold Crosspoint contacts (Cherry ML technology).
- Ideal for continuous usage due to the long operating life in excess of 20 million key confirmations per individual key.
- Compact dimensions and very low overall build height, ideal for restricted spaces and for 19"
