Zebra Workforce Connect 1 license(s) 3 year(s)

Model: WFCPTTP-HISEXT-36

Manufacturer: ZEBRA

EAN:

Product Code: 1053200

R2,955

Connect Your Workers With the Power of One

With Workforce Connect Powered by Savanna, you can give your workers the power of one — one device that provides access to enterprise data and applications, plus PTT calls, PBX calls and enterprise-class secure messaging. So no matter how your workers want to communicate, who they need to reach or what information they need, their Zebra mobile devices and more will do it all.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
