The 16" Lenovo ThinkPad E16 Gen 3 laptop is built for dynamic professionals. Powered by AMD Ryzen™ 200 Series processors, it delivers outstanding multitasking performance, while AI-driven optimization boosts productivity. Its compact design integrates robust graphics, making it perfect for effortlessly handling even the most demanding tasks on the go.

LONG-TERM ENDURANCE

Unmatched Reliability for Any Work Environment

Engineered for ultimate mobility, this laptop boasts sleek, robust construction and powerful performance. Crafted from durable materials, including recycled plastics, it stands up to rigorous MIL-STD-810H standards to ensure reliability even in harsh conditions. Whether you're working or traveling, this laptop is built to keep pace with your demands.

PRIVACY & PROTECTION AT ITS HEART

Secure Your Business at Every Step

Built with enterprise-grade security, the E16 Gen 3 AMD keeps your data safe. It comes with a discrete Trusted Platform Module (dTPM) for encryption and self-healing BIOS for data recovery. An optional fingerprint reader integrated into the power button and an IR camera allows for secure login while the webcam privacy shutter ensures added protection.

STAY UNSTOPPABLE, WORK UNINTERRUPTED

Fast Connectivity for More Productivity

Supercharge your business operations with high-speed WiFi and a versatile lineup of ports, including USB-A, USB-C®, and HDMI®. Whether you're transferring data or connecting to external devices, the ThinkPad E16 Gen 3 delivers seamless performance. Its enhanced battery life keeps you powered longer, so efficiency never takes a back seat.

CREDIBILITY & COLLABORATION

Sustainability

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.
