

CISCO Meraki MS130-24P Cloud Managed 24GE 370W PoE Switch

Model: MS130-24P

Manufacturer: CISCO

EAN: 810087200060

Product Code: 1053761

R59,456

The Cisco Meraki MS130-24P is a versatile and powerful switch designed to meet the needs of modern networks. With 24 1000Base-T ports and 4 1000Base-X SFP ports, it offers extensive connectivity options for a variety of devices. The switch is powerful, with a 56 Gbps switching capacity, and efficient, featuring a 370 W PoE budget to support PoE+ devices. It is cloud managed, enabling easy deployment and management through Zero-touch provisioning (ZTP), which simplifies network setup and reduces the need for extensive IT presence. Additionally, its design is suited for a wide range of environmental conditions, ensuring reliable performance. Whether for small businesses or large enterprises, the MS130-24P is built to provide a reliable, high-performance networking solution.
