

CISCO Meraki MS130-12X Cloud Mgd. 8GE + 4x 2.5GE 240W PoE Switch configurable

Model: MS130-12X

Manufacturer: CISCO

EAN: 810087200046

Product Code: 1053763

R54,568

The Cisco Meraki MS130-12X is a high-performance switch designed to meet the needs of modern businesses. With its 240 W PoE budget, it can power a wide range of devices directly through Ethernet cables, simplifying the network infrastructure. The switch offers a comprehensive set of ports, including 8 1000Base-T, 4 2.5GBase-T, and 4 10GBase-X SFP+ ports, ensuring high-speed connections and the flexibility to support various types of devices.

Designed to withstand challenging environmental conditions, it operates efficiently between 5 - 95% humidity and temperatures ranging from 0 °C to 45 °C. Advanced features such as 802.1x authentication, DHCP snooping, and Quality of Service (QoS) provide enhanced security and network performance. Furthermore, its cloud-managed capability and support for Zero-touch provisioning
