unobstructed, wide display for a more immersive and comfortable viewing experience.

HDR 10 with sRGB 99% (Typ.)

True-to-life color, powered by IPS

HDR 10 compatibility and 99% sRGB coverage (typ.) provide accurate color reproduction and tone mapping in HDR scenes.

IPS Display

LG IPS monitor delivers consistent and vibrant colors across wide viewing angles.

HDR 10

HDR 10 (high dynamic range) supports specific levels of color and brightness.

sRGB 99% (Typ.)

With 99% coverage of the sRGB (Typ.) spectrum, it is a great solution for accurate color display.

Color calibrated

Ensures precise and consistent color reproduction.

USB-C (PD 96W)

All-in-one USB-C connectivity

Stay connected with ease using USB-C, DisplayPort, and HDMI ports that support a wide range of devices. The USB-C port enables display output, data transfer, and laptop charging (up to 96W) through a single, convenient cable.

Speakers with DepthSound

Feel the deep soundscape

The deep and magnificent sound from the built-in 7W speakers equipped with DepthSound to enhance the bass range brings a fully immersive gaming experience.

LG Switch app

Switch swiftly

You can readily divide the whole display into up to 6 sections, change the theme design, or even launch a video call platform with a mapped hotkey. It also supports PBP and PIP modes for efficient multitasking across multiple input sources.

100Hz

Fluid gaming motion with 100Hz refresh rate

Delivers smooth and responsive performance with a 100Hz refresh rate, offering fluid visuals and crisp, ghost-free gameplay that gives you a competitive edge.

5ms (GtG)

Consistent speed

Experience responsive 5ms (GtG) response time, minimizing ghosting for clear, fluid visuals. Stay in control in every game with dependable speed and smooth motion.

Built for comfort, designed for productivity

Reader Mode

Adjusts color temperature and brightness to help reduce eye fatigue when viewing documents for extended periods.

Flicker Safe

Minimizes invisible screen flicker to help reduce eye strain and support a more comfortable viewing experience during extended use.

Slim Stand with a Square Shaped Base

Clutter-free with a sleek stand

The sleek L-shaped stand helps keep your space clutter-free and is ergonomically designed for comfort, allowing easy tilt, swivel, and height adjustments to suit your viewing angle and posture. With one-click mounting support, it can be installed quickly and easily.
