Product Code: 1054406

R51,293

Microsoft Surface Laptop for Business is designed for professionals who need a portable, productive laptop for everyday work and collaboration. The 3:2 PixelSense touchscreen with 10-point multi-touch and color calibration delivers accurate visuals and a taller workspace for documents and web content, while Corning Gorilla Glass 5 and Dolby Vision IQ enhance clarity and durability. The built-in webcam with Windows Hello simplifies secure sign-in, and the Copilot key provides quick access to AI-assisted workflows.

Performance-focused hardware supports demanding multitasking and AI workloads with an Intel Core Ultra 7 processor, Intel Arc Graphics, LPDDR5X memory, and SSD storage, plus an Intel AI Boost neural processor for accelerated on-device AI tasks. Connectivity options include Surface Connect,
