HP ProDesk 4 SFF G1i Intel Core Ultra 5 225 16GB 512GB W11P 1YW

Model: 9H7L2ET#ABB

Manufacturer: HP INC.

EAN: 199251693298

Product Code: 1054410

R41,773

The HP ProDesk 4 G1i is designed for professionals who require robust performance in a compact form. Fitted with an Intel Core Ultra 5 processor from Series 2, this personal computer can handle multiple tasks efficiently, enhancing productivity in any workspace. The ultra small form factor is complemented by features such as integrated high-definition audio, a reliable HP Tamper Lock for security, and the capability for AI-driven tasks through the Intel AI Boost neural processor unit. With expansive storage options, including an M.2 SSD interface, the system achieves fast data transfer rates while providing options for future upgrades. The device is ENERGY STAR certified, ensuring energy efficiency during operation. USB-C and various USB ports enable seamless connectivity, making it suitable for various environments, from home offices to corporate settings.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
