sketch, capture, refine, and edit — fluidly, intuitively, and without missing a beat.

AI SUPERRES

Turn Pixels Into Perfection

With built-in Lenovo AI SuperRes (AISR), even casual snaps get an instant glow-up. Whether you're looking into online references or editing offline photos, every image is upgraded to crisp, hi-res quality with natural detail and smooth edges.

ULTRACLEAR DISPLAY

See Every Nuance in Every Frame

This 11.1″ tablet features a PureSight Pro display that brings your ideas to life in ultracrisp, ultrahigh resolution and vivid true colour – so every sketch line, photo texture, or edit frame looks sharp. It’s perfect for colour-sensitive work. With a high refresh rate and brightness level, your visuals stay fluid, even under sunlight.

PURESIGHT PRO

Redefine Visual Perfection

Lenovo’s proprietary PureSight Pro algorithm delivers precise spectrum calibration and colour tuning on every compatible display. See your masterpiece, flawlessly consistent across all of your devices.

Stay in Flow

Whether your ideas come through images, words, or voice, this tablet’s smart tools help you capture them smoothly. From typing with AI support to transcribing thoughts in real time, it’s all about keeping your creativity in motion.
