

Seagate Desktop HDD Spinpoint 500GB internal hard drive 7200 RPM 16 MB 3.5" Serial ATA III

Model: ST500DM005

Manufacturer: SEAGATE

Product Code: 10560

R850 R946

The Power of One.

The Barracuda® hard drive gives you one hard drive platform for every desktop storage application. One drive with trusted performance, reliability, simplicity and capacity.

- 1TB/disk 7200 RPM platform provides affordable capacity up to 3TB;
- Seagate OptiCache™ technology improves performance by up to 45%;
- Seagate AcuTrac™ technology enables reliable read/write performance even in high touch operating environments;
- Seagate SmartAlign™ technology for no-hassle transition to Advanced Format 4K sector technology;
- Free DiscWizard™ software enables 3TB drive use on legacy PC BIOS as well as Windows XP-based

systems.

Barracuda hard drives give you what you want.

Count on Barracuda drives to deliver the storage innovations that drive your costs down and your performance up.

- 7200 RPM performance—from 250GB all the way up to 3TB;
- OptiCache™ technology further exploits big 64MB cache sizes and improved micro processor capabilities;
- SATA 6Gb/s technology to further maximize performance.

Your no-hassle transition to 4K sectors.

Are you worried about moving to Advanced Format 4K sector technology? You don't have to be with Barracuda drives. Seagate SmartAlign™ technology makes this transition a snap:

- No utilities to run;
- No extra integration steps to take up your time.

Maximizes hard drive storage densities.

Barracuda 1TB-per-disk technology incorporates 340,000 unique tracks in the width of a single inch. This incredible storage density drives new capacity possibilities and lowers your total storage costs. Seagate AcuTrac™ technology enables new storage densities with accurate reading and writing to nano-sized tracks that are only 75 nanometers wide! That's about 500 times smaller than the period at the end of this sentence.
