

TP-Link HX141 Dual-band (2.4 GHz / 5 GHz) Wi- Fi 6 (802.11ax) White 3 Internal

Model: HX141(1-PACK)

Manufacturer: TP-LINK

EAN: 4895252503906

Product Code: 1056060

R1,545

The TP-Link EX141 V1 offers a versatile solution for both wired and wireless networking needs, designed to provide robust connectivity with a maximum data rate of 300 Mbps at 2.4 GHz and 1201 Mbps at 5 GHz. It's equipped with features such as MU-MIMO technology and beamforming technology, ensuring efficient data transmission across multiple devices. This desktop unit supports various networking protocols, including Wi-Fi 6, making it capable of handling a variety of tasks efficiently while maintaining strong connections even in congested environments.

With an emphasis on user-friendly management, the EX141 V1 features options like parental control, guest network capabilities, and an integrated 3-port switch, providing flexibility for home and office use. Connectivity is made easy with features like WPS and EasyMesh, enabling users to expand their network seamlessly. The product is also built to withstand diverse environmental conditions, operating effectively in temperatures ranging from 0 °C to 40 °C and a humidity range of 10 - 90% (non-condensing).
