The Lenovo Multi-Mode Pro Combo 6000 is a versatile keyboard and mouse set designed to enhance productivity and comfort. With wireless connectivity options including Bluetooth 5.3 and a 2.4 GHz USB receiver, users can enjoy seamless operation and clutter-free workspaces. The adjustable height feature allows for customized ergonomic setups, catering to individual preferences.

The keyboard's numeric keypad and media controls make it suitable for various tasks, whether working on spreadsheets or enjoying multimedia. Built with durability in mind, the keyboard is spill-resistant and features a key lifespan of 10 million clicks. The accompanying mouse is designed for both right- and left-handed users, featuring infrared movement detection technology with a resolution of 4000 DPI, ensuring precision in every click.
