Lag-free legend

Hear all the action as soon as it happens with the Oxxie True Wireless Gaming Earphones. With a reliable gaming grade low-latency 2.4Ghz wireless connection via its USB-C receiver, you'll get awesome gaming, lag-free.

True Blue(tooth)

Want to pick up calls or listen to music while you play? No problem! These earphones' dual wireless functionality allows you to easily switch over to Bluetooth to connect with your mobile phone.

More fun, less interruptions

Get ready to play on thanks to the Oxxie's hefty battery life. With up to 7 hours of non-stop playtime on a single charge, and up to 42 hours with the charging case, keep on enjoying your games, music, movies and more for as long as you like.

Say no to noise

These earphones’ microphones put the focus right where it’s meant to be – on your voice. With four ENC noise-cancelling microphones, the Zunta effectively removes background noise for crystal-clear communication.

Platform pal

The Oxxie is meant to be enjoyed, no matter what platform you use! Compatible with PC, PlayStation, Switch, mobile and other Bluetooth devices; take advantage of great sound, however you like to play.

All the extras

With handy LED indicators right on the earphones themselves, you’ll know exactly when you need to charge up. Simply pop them into the included charging case and you’ll be back and ready to go in no time at all.
