With Case Logic Variate everyday laptop backpack 17", bring everything you need to work — anywhere life takes you.

A backpack for the hybrid worker

Case Logic Variate is a backpack designed with the hybrid worker in mind. This backpack allows you to carry comfortably a 17" laptop, a full-size keyboard, headphones, and whatever else you might need for a day of work — whether that's at the office, at a cafe, on a plane, or all three.
