Product Code: 1056540

R113,000

The HP ZBook 8 G1i Mobile Workstation is designed to empower professionals with its robust performance and reliable features. Equipped with a powerful Intel Core Ultra 9 processor, supporting 16 cores and a turbo speed of up to 5.4 GHz, it efficiently handles demanding tasks. The 24 MB L3 cache memory ensures quick data access, facilitating smoother multitasking.

This mobile workstation also features a 5-megapixel webcam for clear video calls and collaboration. The LED widescreen display offers vibrant visuals, ideal for creative work. With advanced networking capabilities, including support for Wi-Fi 7 and Bluetooth 5.4, the HP ZBook 8 ensures seamless connectivity, whether in the office or on the go. The durable design includes a spill-resistant keyboard and HP Tamper Lock for added security, making it suitable for professionals who require both performance and peace of mind.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
