Whether it’s back-to-back meetings or a quick gym session, the 15-16” Targus Work+ Play® Trio Backpack is built to keep up with the daily hustle.
With three separate compartments, you can keep your work essentials perfectly organized and separated from your gym shoes and active wear. Meanwhile the adjustable front webbing offers extra space for a jacket or accessories. It also sports two XL water bottle pockets to keep you hydrated from morning meetings to evening workouts; and a Multi-Flex™ Strap that seamlessly adjusts to use as a sternum, trolley, security, or utility strap.
Not just functional, the Work+ Play Trio Backpack supports the planet, too. Made from recycled materials, it helps save the equivalent of seven plastic bottles from landfill.

Keep It Separated

Perfect for the on-the-go lifestyle, the Work+Play bags come equipped with a dedicated compartment specifically designed to keep your work or sport shoes separated from the rest of your

belongings, ensuring your clothes and essentials stay clean. Whether you're heading to the office or the gym, this thoughtful design keeps you organized and ready for anything.

Versatile Multi-Use Strap

Transform your travel experience with our Multi-Flex™ Strap with magnetic closure that effortlessly adapts to your needs. Use it as a sternum strap for backpack stability, a trolley belt for easy luggage attachment, a security strap to deter theft, or a utility strap to secure bulky items in expandable side pockets. Perfect for both adventurers and commuters, this strap offers convenience and peace of mind no matter where your journey leads.

The Bottle Reborn

This bag was designed with the environment in mind. By using GRS-certified recycled materials, 7 plastic bottles were kept out of our waterways and landfills, shredded into small flakes, re-polymerized into plastic chips, and heated and spun into yarn stitched and sewn into the interior fabric of this EcoSmart® bag.
