

Contour Design STREAM PROTECT

Model: JK-8502GB-0

Manufacturer: CHERRY

EAN: 4025112106279

Product Code: 1057443

R2,019

Together, the CHERRY STREAM KEYBOARD and the CHERRY STREAM PROTECT MEMBRANE become the CHERRY STREAM PROTECT KEYBOARD. This means the keyboard offers the ability to be completely wiped clean or even disinfected, but remains very comfortable to type on. With frequent and changing use, keyboards can be a reservoir for dirt and germs.

On the CHERRY STREAM PROTECT KEYBOARD, dirt and microorganisms such as bacteria and viruses can be simply wiped off the flat and completely enclosed key surface. The key membrane can be taken off the keyboard for washing and changing. The STREAM PROTECT MEMBRANE thus effectively protects people, the keyboard and the environment.

The STREAM PROTECT KEYBOARD follows the design, elegance and sleekness of the CHERRY STREAM product line with the same slim design, high torsional rigidity and stability. Rubber pads and fold-out feet provide the usual firm footing. Sturdy scissor technology and the highly developed haptics of the key membrane ensure the legendary typing comfort of the CHERRY STREAM keyboards.
