HPE Microsoft Windows Server 2025 2-core Datacenter Additional License WW SW

Model: P77109-B21

Manufacturer: HEWLETT PACKARD ENTERPRISE

EAN: 190017781839

Product Code: 1057477

R17,758

Microsoft Windows Server 2025 Datacenter is designed to provide a robust and efficient server environment. With a focus on scalability, this operating system supports the needs of growing businesses and offers advanced capabilities for managing resources effectively. Its licensing model ensures compliance while providing flexibility for various deployment scenarios. This server solution is suitable for organizations seeking reliable performance and enhanced security measures in their infrastructure.
