Stay seamlessly connected with the Seron’s multi-wireless connection. Switch between 2x Bluetooth® connections, a 2.4G USB-C receiver, or the included USB-A adapter. With a dedicated switch button and LED indicators, this Bluetooth mouse is the perfect tool for working across devices.

Charge less, work more

Enjoy up to 3 months of battery life with the Seron. Keep on working while charging via the included 90cm USB-A-C cable, making this wireless mouse perfect for uninterrupted productivity on the go. *Battery life may vary under different conditions

Slim, smooth, silent

At just 31mm in height, this slim wireless mouse easily slips into your bag for travel. Silent buttons make it ideal for quiet environments, while the adjustable 1000–3200 DPI and ambidextrous design ensure precise control in every task. Easy peasy!
