TP-LINK AX3000 Dual-Band Wi-Fi 6 Router 574Mbps at 2.4GHz + 2402Mbps at 5GHz

Model: MR80X

Manufacturer: TP-LINK

EAN: 6957939000646

Product Code: 1058833

R1,866

The Mercusys MR80X V2 is a versatile wireless router designed to deliver robust connectivity for multiple devices. With a maximum data transfer rate of 3 Gbps, it supports up to 256 connected devices, making it suitable for a bustling household or office environment. The router features dual-band support, operating on both 2.4 GHz and 5 GHz frequencies, ensuring a stable and fast connection for diverse online activities, from streaming high-definition videos to online gaming. Equipped with four external omnidirectional antennas and advanced technologies like MU-MIMO and beamforming, the MR80X V2 provides improved Wi-Fi coverage and performance, reducing dead spots and enhancing connection quality throughout your space.

Security is a key focus of the Mercusys MR80X V2, offering multiple encryption options including
