

Samsung MU-PD1T0G/WW external solid state drive 1 TB USB Type-C 3.2 Gen 2 (3.1 Gen 2) Silver

Model: MU-PD1T0G/WW

Manufacturer: SAMSUNG

EAN: 8806097817550

Product Code: 1059070

R5,946

The Samsung T7 Resurrected is a portable 1 TB solid state drive that combines high-speed performance with robust security features. With the ability to reach up to 1050 MB/s in data transfer rate through its USB 3.2 Gen 2 interface, this drive allows users to quickly store and access large files. Built with environmental resilience in mind, it operates smoothly within the temperature range of 0 °C to 60 °C, ensuring reliability in various conditions. In addition to its performance, the T7 Resurrected incorporates advanced security with 256-bit AES hardware encryption, keeping your data safe from unauthorized access. The drive's shock-resistant design emphasizes durability, making it an excellent choice for on-the-go professionals and casual users alike. Encased in recycled aluminum, the T7 Resurrected delivers functionality and supports eco-friendliness.
