Samsung MU-PD4T0G/WW external solid state drive 4 TB USB Type-C 3.2 Gen 2 (3.1 Gen 2) Silver

Model: MU-PD4T0G/WW

Manufacturer: SAMSUNG

EAN: 8806097817857

Product Code: 1059072

R21,300

The Samsung T7 Resurrected is a portable external hard drive designed for those who need both performance and durability. With a capacity of 4 TB, this solid state drive leverages USB 3.2 Gen 2 technology to deliver interface speeds of up to 10.0 Gbps, ensuring quick access and transfer of files. Users can experience data transfer rates of 1050 MB/s, enabling efficient management of large files and collections. The drive is housed in a sturdy casing made from recycled aluminum, combining eco-friendliness with a shock-resistant design that protects data from unexpected impacts and drops.

Operating effectively in a wide temperature range from 0°C to 60°C, the Samsung T7 Resurrected is equipped with hardware encryption using a 256-bit AES algorithm, providing an additional layer of
