LENOVO LOQ 15AHP10 AMD Ryzen 7 250 15.6inch FHD 16GB 1TB SSD M.2 2242 PCIe GeForce RTX 5060 8GB W11H 2YR Carryin

Model: 83JG001QNT

Manufacturer: LENOVO

EAN: 199271171875

Product Code: 1059129

R32,554

The Lenovo LOQ 15AHP10 83JG is a gaming notebook designed to deliver responsive performance and immersive visuals for players and content creators. It combines an 8-core Ryzen 7 processor with NVIDIA GeForce RTX graphics and 8 GB of dedicated video memory to support smooth gameplay and fast multitasking, while DDR5 memory and PCIe 4.0 SSD support help reduce load times and maintain system responsiveness. The 15.6-inch IPS display with 100% sRGB coverage and NVIDIA G-SYNC compatibility provides consistent color and tear-free visuals for gaming and creative

work. Integrated features such as a 5 MP webcam with e-camera shutter, dual-array microphone, Nahimic audio, and a numeric keypad enhance everyday use and communication. Connectivity includes multiple USB 3.2 ports, a USB-C port with Power Delivery and DisplayPort 1.4, HDMI, and wired LAN, making it easy to connect peripherals and external displays. Hardware security is supported by a firmware Trusted Platform Module (TPM 2.0), and the system includes AI acceleration via AMD Ryzen AI to assist with on-device intelligent tasks.
