Adapatability Redefined

The Lenovo ThinkPad X12 Gen 2 detachable laptop/tablet is all you need if you're looking for a 2-in-1 device that enables you to effortlessly manage your tasks, indulge in entertainment, and own digital presentations like never before. The magnetically attached pen makes it easier to bring your creative ideas to life.

Performance Unplugged

Powered by Intel® Core™ Ultra processors, the 12.3" ThinkPad X12 Gen 2 detachable laptop taps into AI-assisted productivity. Enjoy optimized performance with workloads pushed to dedicated AI engines, including the low-power neural processing unit (NPU) which efficiently handles auto-framing, background blur or low-light enhancements.

Experience Enhanced

No matter where you go, ThinkPad X12 Gen 2 detachable laptop/tablet keeps you connected with reliable LTE 4G CAT16. The folio keyboard with distinct red TrackPoint turns the tablet into a lightweight, functional business laptop. Plus, the Lenovo view app delivers superior video quality, helping you to enjoy quality video calls in low-light conditions.

Security Unparalelled

The ThinkPad X12 Gen 2 detachable laptop comes with an array of security features including a fingerprint reader and a TPM chip. The facial recognition software prevents unauthorized access to your device. And our ThinkShield security ensures your sensitive data and your device remain protected.

Durability Unmatched

Built to withstand the toughest environments, our ThinkPad laptops undergo rigorous US Department of Defense's MIL-SPEC-810H durability testing. From the manufacturing floor to the harshest environments, this device is engineered to endure and can handle the rigors of daily use with ease.

Sustainability Covered

We are committed to making a positive impact on our environment. ThinkPad X12 Gen 2 uses 90% recycled magnesium for the the top cover and 30% post-consumer content (PCC) recycled plastic in cover (C) and 90% PCC recycled plastic used in AC adaptor. Our packaging is Forest Stewardship Council® (FSC)-certified and is 85% recycled plastic.

Specifications may vary depending upon region / model.
