The Jabra Evolve 65 TE Mono headset is designed for professionals seeking exceptional audio quality, wireless freedom, and comfort. Featuring Bluetooth 5.2 technology, this headset offers a reliable connection up to 30 m away from your device, allowing you to move freely without being tethered to your desk. The uni-directional microphone and noise-isolating technology ensure your voice is crystal clear, while the wide frequency response enriches the sound quality for calls and multimedia. Comfort is paramount with the on-ear design, crafted from soft leatherette and a lightweight stainless-steel headband, ensuring durability and a comfortable fit for extended wear. The headset's ability to connect to two devices simultaneously enhances productivity, allowing for smooth transitions between calls on different devices. With up to 15 days of standby time, the Jabra Evolve 65 TE Mono is always ready for your next call or music session, making it a suitable choice for busy professionals.
