The Jabra Evolve 65 TE Stereo headset is designed for professionals who demand high sound quality, flexibility, and comfort. With its Bluetooth 5.2 technology, this wireless headset offers a reliable connection up to 30 m away from your device, enabling freedom of movement and multitasking. The ability to connect to two devices simultaneously enhances productivity, allowing seamless switching between tasks. Audio quality is paramount, with a wide frequency response ensuring both music and voice are delivered with high fidelity. The headset's omnidirectional microphone captures your voice clearly while minimizing background noise, making it ideal for conference calls and voice commands. Comfort is not overlooked, thanks to its lightweight design, soft leatherette ear cushions, and adjustable headband, ensuring comfort throughout the workday. Additionally, features like a busy light, Jabra Direct, and Jabra Xpress facilitate a focused work environment by minimizing interruptions and simplifying device management. With up to 15 days of standby time, the Jabra Evolve 65 TE Stereo is ready when you are, making it the perfect choice for professionals looking to enhance their audio experience and productivity.
