Military-Grade Protection

Minor drops and bumps are no problem for this sturdy, structured case. In fact, the case passes rigorous MIL-STD-810G testing to ensure it can protect your tablet from drops up to 4 feet (1.2 meters).*As tested by an independent third party applying MIL-STD-810G, Method 516.6, Procedure IV.

Swipe or Type with Ease

The non-slip interior lets you position your Samsung Galaxy® Tab A11+ and Tab A9+ in a range of reading or viewing angles for watching videos or interacting with your screen or flip the cover back for a comfortable typing angle.

Full Access, Full Functionality

The tray has precision cut-outs for full access to ports, buttons, and controls. Camera and sensor cut-outs ensure you get the best shot — even with the case on.
