Manufacturer: LENOVO

Product Code: 1060081

R60,956

The Lenovo ThinkStation P3 Gen 2 is designed to meet the demands of professionals who require reliable performance in an ultra small form factor. With its Intel Core Ultra 7 processor featuring 20 cores, this desktop ensures efficient multitasking and compute-intensive tasks. Equipped with 30 MB of cache memory, it facilitates faster data access, which enhances overall system responsiveness. This workstation leverages a high-performance SSD in an M.2 2280 form factor, connected via PCI Express, providing quick boot times and rapid file transfers. Integrated audio capabilities through the Realtek ALC233VB codec deliver high-definition audio, making it suitable for multimedia
