Product Code: 1060082

R54,237

The Lenovo ThinkStation P3 Gen 2 is designed to meet the needs of professionals who require powerful computing in an ultra small form factor. Equipped with a 24-core Intel Core Ultra 9 processor, this workstation delivers performance for demanding tasks. Its 36 MB cache memory and dual-channel DDR5 SDRAM ensure responsive operation, while the integrated Realtek ALC233VB audio codec provides high-definition audio output for an enhanced multimedia experience. The system features connectivity options, including multiple USB ports and HDMI, making it easy to connect a variety of devices. The PCI Express interface allows for rapid data transfer, and the SSD
