working experience while in the office, at home or on the go.

Premium Design

Durable and lightweight, this 2K1 resolution laptop features a magnesium-alloy chassis and a 16:10 thin-bezel display so your visuals are always crystal clear and in full view.

Next Gen Performance

This thin and light laptop is built on the Intel vPro® platform with a 13th Gen Intel® Core™ i7 processor¹ in addition to a discrete NVIDIA® GeForce RTX™ 2050 GPU¹, 64 GB SODIMM memory¹, and a 65W long-lasting, fast-charging battery¹.

Keeping Dust at Bay

Our latest Dust Defender technology allows the fan to blow dust out and minimize dust accumulation so that performance stays strong. The automatic cleaning functionality occurs when you power on your system and after every 6 hours of use.

Optimized Video Conferencing

Simplify video calls with this laptop's FHD¹ IR webcam with privacy shutter, enhanced voice capture with Acer Purified Voice's AI-powered noise-reduction, and upward-facing speakers with DTS® Audio.

Faster, Stronger Connections

Featuring 2x2 Wi-Fi 6E, optional 4G LTE connectivity, and two full-function USB4 Type-C ports with Thunderbolt 4, this laptop for work keeps you on the move while also enabling multiple 4K displays, file transfers, power charging, and more.

Security & Privacy

Enjoy secure logins with IR facial recognition¹ or the power-on fingerprint reader¹. Acer User Sensing technology locks your screen when you leave, while the privacy panel² helps protect your screen by obscuring viewing angles beyond 90 degrees.

An Enjoyable Experience

Enjoy an enhanced user experience with this laptop's large touchpad, quieter clicks, and a 1.55mm key travel distance. It also features Acer Light Sensing technology that adjusts the brightness and color of the display to adapt to ambient lighting and color temperature.

Built to Last

This Military Standard tested laptop features a Corning® Gorilla® Glass touchpad and reinforced I/O ports so that this hybrid work laptop stands up to all the wear and tear of daily use.

Designed for Sustainability

Designed partially using PCR (Post-Consumer Recycled) plastic, this business laptop is EPEAT registered⁴, uses 100% recycled packaging materials, and select configurations in some countries come TCO Certified³.
