R3,904

The Logitech G522 headset offers an audio experience with its stereo sound and a frequency response range of 20 - 20,000 Hz. Designed for gamers and compatible with multiple platforms including game consoles and computers, this headset features flexibility of both wireless and wired connectivity. Equipped with Blue VO!CE Mic Technology, it ensures clear communication with an omnidirectional microphone that is detachable for convenience.

With comfortable full-size ear parts and Pro-G drivers, the Logitech G522 delivers rich soundscapes, enhancing every gaming session. The headset supports Bluetooth 5.3 and LIGHTSPEED wireless connectivity, providing a stable connection with a maximum operating distance of 30 m. Additional features like DTS Headphone:X sound effects and customizable LIGHTSYNC RGB lighting add a
