R4,141

The Logitech G PRO X 60 keyboard redefines gaming and productivity with its compact, portable design and features. Designed for gamers and professionals alike, it offers versatility with dual connectivity options, including 2.4 GHz wireless and Bluetooth, allowing for seamless integration into any setup. The LIGHTSYNC backlit keys not only provide vivid illumination but also enhance the gaming experience with dynamic lighting effects. The keyboard's 60% (TKL) size, combined with mechanical technology and a detachable cable, ensures both portability and durability, making it an ideal choice for those who demand high performance and convenience.
