The Logitech Signature Slim Combo MK950 is a versatile and eco-friendly keyboard and mouse set, designed to meet the needs of modern, environmentally conscious consumers. With its wireless connectivity, courtesy of Bluetooth 5.1 LE and the Logi Bolt USB receiver, users can enjoy a clutter-free workspace. The keyboard boasts an adjustable height feature and a comfortable QWERTY layout with a numeric keypad, making it ideal for long hours of use. The accompanying mouse is designed for precision, featuring a 4000 dpi optical sensor with real-time sensitivity switching, ensuring accuracy and responsiveness. Compatibility with a wide range of operating systems, including Android, Apple iOS, ChromeOS, Mac, and PC, makes this set a versatile choice for any setup. Moreover, the Slim Combo MK950's commitment to sustainability is evident in its use of 48% post-consumer recycled plastic, earning it a CarbonNeutral certification. This product is not just a tool for enhancing productivity but also a statement of support for environmental sustainability.
