R2,272

The Logitech Signature Slim K950 keyboard redefines efficiency and sustainability in modern workspaces. Designed for those who value both form and function, this keyboard offers wireless connectivity through Bluetooth 5.1 LE, ensuring a clean and flexible setup by eliminating the clutter of cables. With an operating distance of up to 10 m, it provides the freedom to work from anywhere in the room.

Sustainability is at the core of the Slim K950, featuring a construction that includes 48% post-consumer recycled plastic. This commitment to the environment is further highlighted by its CarbonNeutral certification, making it an ideal choice for eco-conscious consumers. The keyboard supports a wide range of devices, including Android, Apple iOS, ChromeOS, Mac, and PC, ensuring universal compatibility.

Enhance your productivity with features designed to make work easier and more efficient. The Slim
