

HPE 24TB SATA 6G Business Critical 7.2K LFF LP 1-year Warranty Helium 512e ISE Multi Vendor HDD

Model: P68585-B21

Manufacturer: HEWLETT PACKARD ENTERPRISE

EAN: 4549821581719

Product Code: 1060818

R182,783

The HPE hard drive offers a substantial 24 TB capacity, making it a solution for businesses that require high data storage. With a data transfer rate of 600 MBps and a spindle speed of 7200 rpm, this hard drive ensures efficient performance for various applications. The 3.5-inch LFF form factor combined with hot-swap technology allows for easy upgrades and replacements without system downtime.

Moreover, the hard drive integrates advanced features such as Instant Secure Erase (ISE) and helium technology, ensuring both security and enhanced reliability. With its Serial ATA-600 interface and a

Bytes per Sector of 512, users can expect compatibility with a wide range of systems while
