Model: CH-912A31I-NA

Manufacturer: CORSAIR

EAN: 840440407867

Product Code: 1061620

R8,023

The CORSAIR GALLEON 100 SD keyboard is designed for gamers who seek both performance and style. Featuring a built-in Stream Deck, this extended wired keyboard enhances productivity and gaming experience by offering programmable keys for customizable macros and multimedia controls. With per-key RGB backlighting, users can personalize their setup with vibrant lighting effects that suit their preferences. The mechanical CORSAIR MLX Pulse key switches provide precise and responsive typing, ensuring every keystroke registers with accuracy. Compatibility with both PC and Mac makes the GALLEON 100 SD a versatile choice for any setup. Its adjustable height and included palm rest contribute to comfortable usage during long gaming sessions. The keyboard also boasts anti-ghosting technology, allowing for better performance and response times, especially in intense gaming scenarios. Elevate your gaming experience with the CORSAIR GALLEON 100 SD keyboard, where functionality meets customizable aesthetics.
