R3,917

The Logitech G PRO X SUPERLIGHT 2C is designed for serious gamers who demand precision and speed. This mouse features dual connectivity options, functioning seamlessly in both wireless and wired modes. With a movement resolution of 44,000 DPI, it offers responsiveness, ensuring that every action is captured accurately.

Equipped with LIGHTFORCE optical/mechanical buttons, the PRO X SUPERLIGHT 2C ensures durability and reliability in gameplay. The HERO 2 sensor enhances tracking performance with a report rate of 8000 Hz and a maximum acceleration of 88 G, making it suitable for fast-paced gaming scenarios. Additional features include on-board memory for customizable settings and POWERPLAY compatibility, making it a versatile choice for any gamer seeking a competitive edge.
