The Logitech MX Master 4 mouse combines advanced technology and ergonomic design to enhance productivity. Featuring a movement resolution of 8000 DPI, users can experience precision tracking on various surfaces, including glass. With a connectivity range of up to 10 m, the wireless mouse offers both Bluetooth and 2.4 GHz options, ensuring seamless connection and versatility. Equipped with 8 buttons, including a thumb wheel for horizontal scrolling and haptic feedback for a responsive feel, this mouse caters to various workflows, making it an essential tool for professionals. The MagSpeed wheel enables quick scrolling through lengthy documents and web pages, while Quiet Clicks technology allows for discreet operation. The Actions Ring feature enables customization for frequently used commands, assisting in smoother workflows. In addition, the 4 mm glass thickness ensures optimal performance, making the Logitech MX Master 4 a choice for those seeking functionality and comfort in their daily tasks.
