R3,735

The Logitech G515 RAPID is designed for gamers seeking a responsive and customizable gaming experience. With low-profile, analog key technology, it provides precise input and functionality suited for various gaming styles. The LIGHTSYNC backlit feature enhances visibility and can be synchronized with compatible devices for a more immersive gaming setup. Built with a detachable cable of 1.8 m, this keyboard is perfect for portability and convenience in any gaming environment. Compatible with Mac, the G515 RAPID offers programmable keys to ensure gamers can configure their keyboard to suit their preferences and enhance their gameplay. Made from sustainable materials with 44% recycled content, this keyboard delivers performance while aligning with environmentally conscious practices. Experience the comfort and innovation of the G515 RAPID as it elevates your gaming.
