and minimizes reflections for extended productivity and accurate visuals. Audio and conferencing are enhanced by six speakers with Dolby Atmos and a 5 MP IR webcam with privacy shutter, Windows Hello, and Human Presence Detection for secure and clear remote meetings. Robust connectivity includes Thunderbolt 5 with DisplayPort 2.1, HDMI with 8K support, multiple USB-C ports with Power Delivery, and Wi-Fi 7 and Bluetooth 5.4 for fast wireless access. Built with an aluminum chassis and MIL-STD-810H testing, plus enterprise-grade security features such as a discrete TPM 2.0 chip and fingerprint reader, this laptop supports secure everyday use and managed deployments.
